RE: New England Glass & Mirror Co.

To Whom It May Concern:

Reserving our rights to practice our normal underwriting functions, Westchester Fire Insurance Company, an Ace Surety entity, as surety is prepared to provide favorable consideration to New England Glass & Mirror Co. future bonding needs.

Our willingness to extend surety credit will be based on our underwriting of the account at the time the contractor requests the performance and payment bonds for any individual project. We maintain absolute discretion to issue said bonds. We provide the above account with a \$2,500,000.00 single limit and \$3,500,000 aggregate but will consider higher amounts. Westchester Fire Insurance Company is rated "A" by A.M. Best rating.

Prior to execution all bonds are subject to the review of all terms and conditions of the underlying contract documents by the Surety Company and normal underwriting procedures. Accordingly, this letter does not represent an assumption of liability, neither is it a bid nor performance bond. This letter services only as a bonding reference.

Sincerely,

WESTCHESTER FIRE INSURANCE COMPANY

Virginia R. Martin
